

On the following pages, you will find a listing of some of the organizations in our community need material (in-kind) donations. The organizations are grouped into the categories outlined below. The information was compiled from their websites. Sometimes, an organization may need an item, but it is not posted on their website. Sometimes, an organization has items listed on their website, but they already have enough of that item. Before making a donation, you should check the website to see if there is an updated wish list posted with more current information than is listed here or if anything has changed. Also, it is always a good idea to check with an organization to see if they need your items, before driving over to make a donation. If you know of an organization that should be listed here, but is not, please contact Andi Ferrari at andi_ferrari@yahoo.com or 703-503-9320. Thank you.

We empower children, teens and families to work together and build on their strengths.</p> <p>Originally situated in a trailer on the grounds of Lewinsville Presbyterian Church, the Emergency Shelter for Teenagers moved to its own home on Gallows Road in 1974. Fifteen years later, the Shelter moved down the street to its current location at 2100 Gallows Road. In 1990 the Northern Virginia Home Building Industry and Home Aid donated a renovation that doubled the size of the house.</p> <p>In 1993 Alternative House expanded its services to reach out to at-risk young people in Fairfax County. The Community Outreach Program began with two counselors walking through the Culmore, Springfield and Route 1 neighborhoods reaching out to young people on the streets providing them with food, clothing, supplies, counseling and support. This mobile outreach continues today with staff walking the streets and with the Alternative House van. Additional recreational and educational services have been added to give young people safe places in which to spend their free time. Once a family is accepted into Homestretch, they move into a fully furnished apartment and embark on a journey with Homestretch that can last two or more years. During this time, Homestretch works with the family to help find the adults meaningful employment and to build their skills and education so that they can substantially improve their ability to earn a living wage. Meanwhile, our child services staff works with the family to address the needs of their children, including academic, social and health issues.</p> <p>In a given year, Homestretch will work with as many as 100 families and 300 children. It is important to note that the average of a homeless person in the United States is nine years old so it is imperative to break the cycle of poverty and help these children have more promising futures.</p> <p>Since 1990, Homestretch has assisted 850 families and over 2,000 children. Of those families entering Homestretch, 83% complete the program and successfully transition into permanent affordable housing. Recent tracking demonstrates that after two years of having left our program, 93% of graduates remain stable, housed and employed.</p>	<p>www.homestretch-inc.org</p> <p>370 South Washington Street Suite 400 Falls Church, Virginia 22046</p> <p>Tel: 703-237-2035 Fax: 703-237-4540</p> <p>Or email us info@homestretch-inc.org</p> <p><i>Please call if you have any items to donate that are not listed and you think they might be interested in them.</i></p>

Founded in New York City in 1997, Dress for Success is an international not-for-profit organization offering services designed to help our clients find jobs and remain employed. Each Dress for Success client receives one suit when she has a job interview and can return for a second suit or separates when she finds work. Since 1997, Dress for Success has served almost 450,000 women around the world. Each year we reach more than 40,000 women in the United States, Canada, the United Kingdom, New Zealand and the Netherlands.</p> <p>On her initial visit a woman receives a suit appropriate for the industry in which she is interviewing and, if available, accessories. After a woman finds a job she returns to Dress for Success for additional clothing that can be mixed and matched to make several outfits, providing her with the foundation for a professional wardrobe.</p> <p>While we may be best known for providing suits to women, it is our employment retention programs that are the cornerstone of the organization. Soon after Dress for Success was founded we came to recognize that finding work is only one step in a woman's journey towards economic independence; remaining employed and building a rewarding career are essential if a woman is to become self-sufficient.</p> <p>To meet the need for services that would help women both find and keep jobs, we established the Professional Women's Group (PWG) program, which offers women ongoing support as they successfully transition into the workforce, build thriving careers and prosper in the mainstream workplace. Once a woman joins the PWG she is a member for life, able to attend meetings at any affiliate throughout the world, and can benefit from additional employment retention and mentoring programs.</p>	<p>www.dressforsuccess.org</p> <p>101 Q Street, NE, First Floor Washington, DC 20002</p> <p>(202) 269-4805 or (202) 269-4806 or by e-mail at washington@dressforsuccess.org</p> <p>Donations can be dropped off at their Washington D.C. location on Fridays from 10:00am to 3:00pm (appointments needed)</p> <p>Dress for Success Washington D.C.
